SCORE CAPTURE

ADDING PLAYERS TO YOUR TEAM

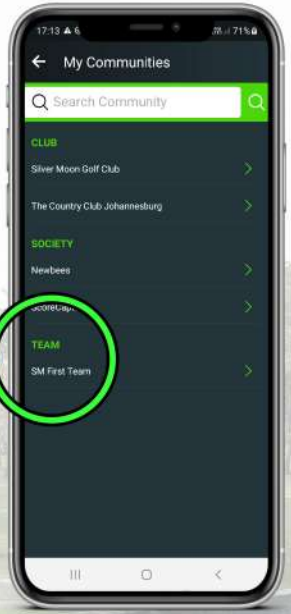

Adding players to your league team from the App

Require Team or Club Admin access

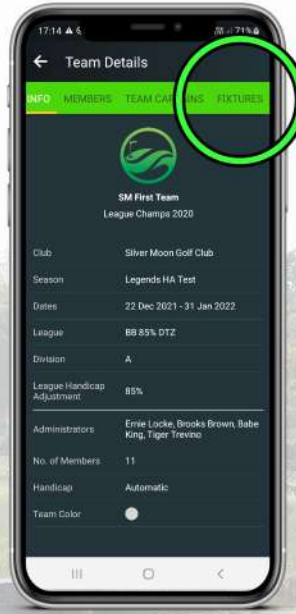

Login with your email and password

Tap on COMMUNITIES

Tap on your team

Tap on FIXTURES tab

Tap on FUTURE tab

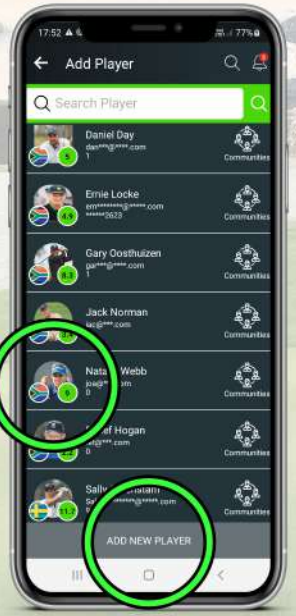

Check the course and tap on the 3 green dots

Tap on Fourball Setup

Tap on the + button

Select your player and tap ADD NEW PLAYER

Repeat process until the team is full

SCORE CAPTURE

UPDATE 4-BALL DETAILS ON APP FOR LEAGUES

All details on the 4-ball screen should be accurate, if the setup was correct

However, should a change be needed this can be done on the 4-ball confirmation screen

Tee times, start hole, tee selection, gender update and course HC can be updated

Tap on START

The 4-ball confirmation screen will open

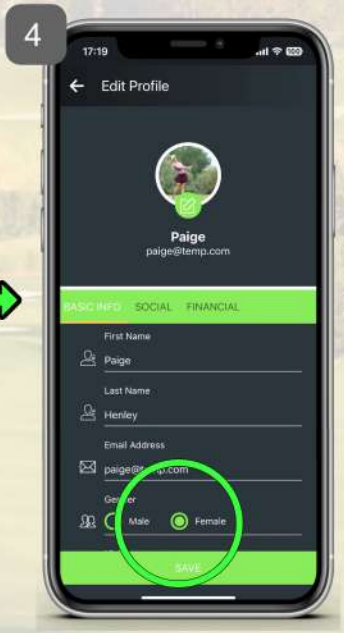

Change the tee time

Change the start hole

Select a tee each player is playing from

Update the gender of any player, if it is incorrect

If the 100% course handicap is incorrect, this can be updated

Once all changes are correct, tap START

From the scoring screen, any updates can still be done, by tapping BACK

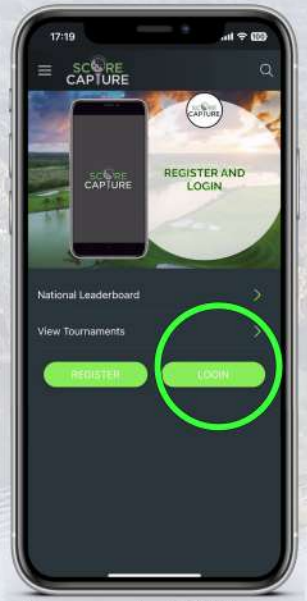

SCORE CAPTURE

LEAGUE PLAYERS WANTING TO SCORE LIVE

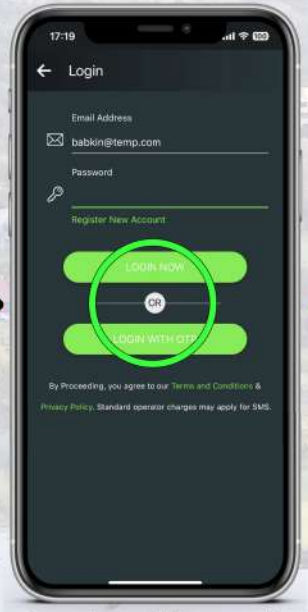

There are many benefits to scoring the league games live

Only one person in the 4-ball needs to score

Leaderboards are live and detailed matchplay scorecards are available

Tap on LOGIN

Login with email and password or use OTP process

Your game will appear - tap on START

Make changes to 4-ball details if needed

Once all details are confirmed - tap START

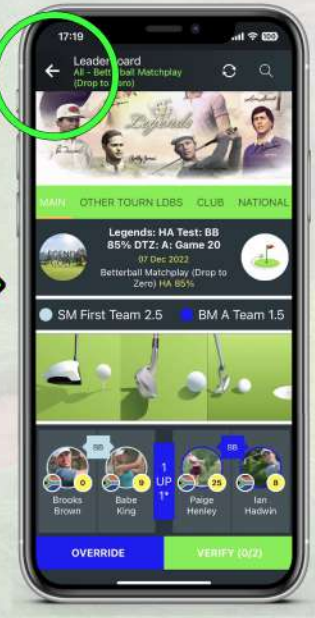

Tap on the 4? for par, + or - for other scores, or PICKUP if hole not completed

Navigate to next/previous hole by tapping the green arrows

Tap on LEADERBOARDS to see the latest scores from all 4-balls

Tap back to go back to scoring screen

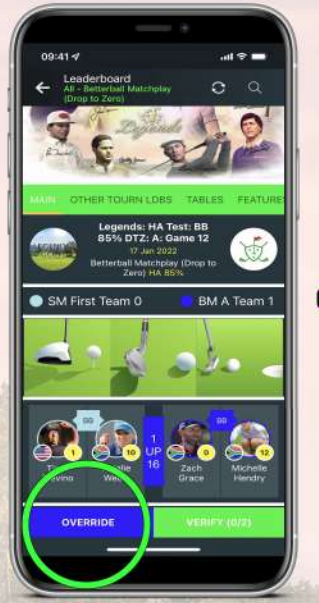

SCORE CAPTURE

OVERRIDE SCORES AND VERIFY FIXTURE

Games can be scored live, but if adjustments are necessary, this can be done

Club/Team admins can override scores and verify the fixture on the app

Navigate to the leaderboards of the fixture

Tap on OVERRIDE

Tap on OVERRIDE RESULT

Select a winner

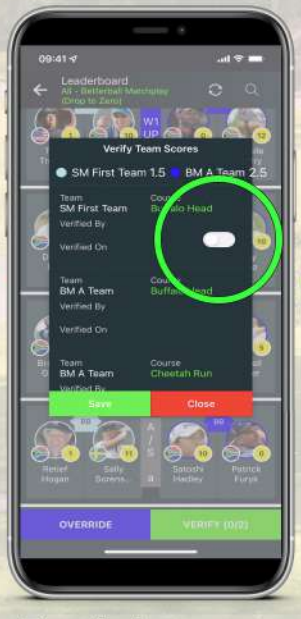

Enter the final score

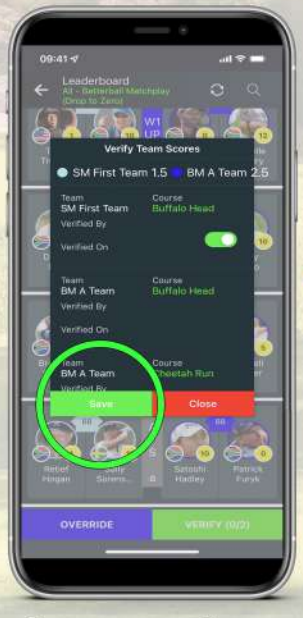

Tap SAVE and repeat for all matches that need adjustment

To verify tap on VERIFY

Toggle to Verified On to the right

Once game is verified, tap SAVE

Game is verified and no changes can be made
